

# Sleep

Induced by the use of coca, opiate or narcotic compounds is bad, decidedly bad. It undermines the health and shatters the constitution and the patient is steadily growing into a worse condition—often resulting in the terrible slavery and misery of the cocaine and opium habit. Sleep induced by the use of Hood's Sarsaparilla may not come as quickly, but it comes more surely, permanently and is

And refreshing because it is realized through nature's great restoring and rejuvenating channel—purified, vitalized and enriched blood. This feeds the nerves with life-giving energy and builds up the system and constitution from the very foundation of all health and life—the blood—pure, rich, red blood.

# Refreshing

"I was generally run down last spring, appetite was poor and I could not sleep. Hood's Sarsaparilla built me right up, gave good appetite and I was soon able to get a good night's rest." G. F. WHITNEY, Merchant, Yeomans St., Ionia, Michigan.

# Hawaiian Electric Company.

The cleanest, brightest safest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Hawaiian Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want. We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers.

BUT THE KAMS BAGGED THE REGIMENTS.

Base Ball of the Grass Lot Order—Piles of Errors and Wild Throws—New Pitcher—Large Score.

The base ball game on Saturday afternoon was a dead sure thing for the First Regiment team, so they thought, but it turned out otherwise. The Regiments were a confident air throughout and thought they would snatch victory anyway from the Kams.

The Regiment won the toss and took the field. The Kams, who had a sort of a scrub team, went to the bat and the fun began. The Regiments put Walter Woods, brother of George, the premier player, in the box.

B. Lemon secured first on balls, stole second and was assisted home by Pahau. Incheula and Pahau went out at first and Koki flew out to second.

Cunha flew out to pitcher and Duncan went out on strikes. Hansman scored a clean base hit and stole second. W. Woods made a base hit, but both were left, Gleason being unable to reach first before the ball.

For the next four innings there were numerous errors and not a little hard batting. The crowd was interested, however.

The Regiment team substituted the professional George Woods in the box in the sixth inning. Lewis flew out to second. Ahia scored a base and was advanced by Koki's base hit. Both were left, however, as Smith and Bridges went out on strikes.

The Regiment had a short sixth inning. Hansman, W. Woods and Gleason were beaten in the race to first.

B. Lemon went out at first from third. Meheua got base on balls and trotted home on Pahau's two base hit. Pahau was retired trying to steal third. A. Pahau flew out to second.

George Woods got first on second baseman's error and was assisted home by Luahiwa. Cummings got a base hit, stole second and third and was sent over the plate by Cunha. Luahiwa went out at second. Carlyle got one bag, stole second and came home on Cunha's two base hit. Cunha got as far as third, assisted by a passed ball. Duncan flew out at second and Gleason was put out at first.

Lewis fanned out and Ahia popped out to short stop and was retired at first. Koki flew out to second.

W. Woods flew out to right and Gleason gave one to the second. G. Woods made a safe hit, stole second and was assisted home. Cummings got first on an error by third, and was advanced to second and home. Luahiwa made a safe hit, and Carlyle struck for two bags. Cunha, however, retired the side at first.

Smith got first on shortstop's fumble, but was retired sneaking to second. Bridges couldn't find the ball and Lemon went out at first from the pitcher.

This being the last half of the ninth inning the Regiment went in with a determination to make something. Duncan hit a onaisy to center and stole second. Hansman went out on strikes. W. Woods flew out to center and Gleason retired the side on strikes.

The game standing a tie an extra inning had to be played. Meheula scored a base hit, was advanced to second and assisted home. A. Pahau hit safe to right field and came home assisted. R. Pahau made a beautiful drive to right and also trotted home assisted. Lewis went out to first, as also did Ahia. Koki made a base hit, and it looked like another run, but Smith hit a nice fly to center which was pulled down.

G. Woods was retired at first from second. Cummings hit a hot liner to third base which was received. Luahiwa got his first on an error and Carlyle hit safe to left. Cunha drove a sky scraper into center fielder's hands. Side out.

The Kams had only six of their team in the field, the others being picked. Much of the work was due to B. Lemon in the box. He pitched a good game. Losing the game puts the Regiment team one behind.

So novel is this departure from the present style of plowing, that we have approached it with some caution. After giving exhaustive trials, experiments and adjustments, we have arrived at the point of placing it upon the market with our unqualified endorsement and warranty. We believe it the greatest improvement in plows yet made since the day of the forked stick, and invite the attention of the advanced planters.
